## A Letter to You

Dear Reader:

Since the yearbook is published to honor the graduating senior class, and it is the desire of the staff to honor the senior class, we have used color in a small section of the book to try to accomplish this.

Although the use of color and picture advertising have taxed our financial status to the limit, we feel that this is only a small portion of the gratitude we owe to the Seniors and to Medina High School.

We have tried to make this a book of which the seniors can be proud. It has been fun and good experience for all connected with it, including the faculty adviser.

I would like to take this opportunity to thank publicly Miss Hitzelberger, my staff, and all others directly or indirectly connected with the publishing of this book.

And so, speaking for all the staff, I say "Good luck, Seniors!"

Dick Phillips  
Editor

### **MISS ELLA CANAVAN**

This production is dedicated to "Miss Ella." She was the first bright spot in our school life. Maybe it was the excitement of going to school at last that made kindergarten remain in our memory forever. But we think "Miss Ella," whose cheerfulness and kindness made a dreary day seem bright, was the one who made us remember. Thank you, "Miss Ella." You may not realize how much you mean to us, so this is to show you that we think you are grand.

## The Producer . . .

## Stadium—Prom—Year Book

These and many other activities make the third year of high school the busiest and the most fun.

In addition to our regular school work, we Juniors sponsor all the stadium activities at the football games. Another important event in our year is the Junior-Senior banquet which we also have the responsibility of preparing. For many Juniors and Seniors this stands as one of the most important evenings in all our high school life. Another task which is thrust on our shoulders is the producing of the annual. Much work is connected with this project in order that the book may be more enjoyable than it ever has been before.

# MEDINAMITE

## The Publicity Staff

The Medinamite staff, newly-equipped with a filing cabinet, has worked hard this year. Miss Clift, the faculty adviser, has been on the job bringing the paper up to a higher standard. The members of the journalism class who make up this staff worked both during and after school to put out an excellent paper so that the students of Medina High School might know and have a record of the news and important events of the school year.

The members of the staff wish to thank their advertisers for their cooperation.

## **Rehearsals-Assemblies-Concerts**

Our M. H. S. concert band has been practicing very hard all year. They play diligently during every noon hour. March twenty-second was the date of their spring concert for which they played the very difficult overture "1812." Mary Catherine Newberry did an outstanding solo, "Concerto for Tympani" for the winter music festival in December. On only ten minutes' notice this band plays before our assemblies. It is ably led by Mr. Vance O'Donnell.

The junior band is composed of high school and junior high students. It is from this organization that the concert band obtains its players. Its members practice every Monday, Wednesday, and Friday morning at the early hour of eight o'clock.

## Choralettes

The Choralettes are a group of ten lovely girls who sing harmoniously during our assemblies and also for Kiwanis Club, the Dairyman's Club, the Afternoon Club, and many others who appreciate the fine entertainment they give under the direction of Mr. David Plank.

The recently-named Harmonaires have become very popular with the students of Medina High. Popular songs and also more serious ones always sound a little bit better when sung by Chad, Henry, Allan, and Bunny. Most Medina students will never forget their arrangement of "Bill Grogan's Goat."

## Activities of the Marching Band

This year has been the busiest one the marching band has ever had. Besides marching at our football games and mastering many new and difficult formations, under the leadership of Mr. Vance O'Donnell, they traveled to Lorain to march in the parade which celebrated the homecoming of Admiral King. They also went to Baldwin-Wallace to perform at one of their football games. These and many other activities have made the marching band of Medina well-known all over the northern part of Ohio.

The five people in the picture above played no small part in making a colorful and successful season for the band.

Although this is just a newly-organized club under the supervision of Miss Myers, the members are very enthusiastic and successful. There are forty-eight members who hold business meetings twice a month. "The Night of January 16," a three-act play, and the high school Christmas program were presented by this group, and quite a number of its members now belong to National Thespians.

### DISCUSSIONS

#### PROJECTS - PARTIES

Both the Junior and Senior Girl Reserves have been very busy this year.

The Senior G. R. group has its meetings twice a month and has over fifty members. One of the highlights of their year was a "Hard Times" party together with the Hi-Y. They also collected clothes for Holland.

The Junior G. R. also has two meetings a month and over fifty members. They have special Ring groups which study fine arts and make scrap-books.

The highlight for the whole group was the big Spring Formal.

# Student Council

## The Student Directors

Last, but certainly far from least, is the Student Council which this year, as always, has done a wonderful job of planning assemblies of school and outside talent and of selling tickets for these assemblies.

Under their direction there are paper drives every six weeks and the usual Wednesday noon dancing. They helped to decorate the Christmas tree and some of the home rooms at the Christmas season. They have also bought a camera for the photography club.

One of the hi-lights this year was the Homecoming Parade and Dance. In the parade were posters and floats supporting the new school bond issue, which was passed by the voters by a wide margin.

A new activity was the Activities Banquet for band, orchestra, chorus, glee clubs, Choralettes, Harmonaires, and basketball teams.

Mr. Spencer, their ever-capable adviser, helped to plan all these activities.

**RESERVES TAKE OVER IN COVENTRY GAME**

Again this year at both football and basketball games, our six star cheerleaders with their enthusiasm have kept the spirit of our team and the pep of the spectators high. Whether Medina was winning or losing, those girls were out there giving their very best. The whole school is very proud of the senior cheerleaders.

**TOMMY DOYLE**

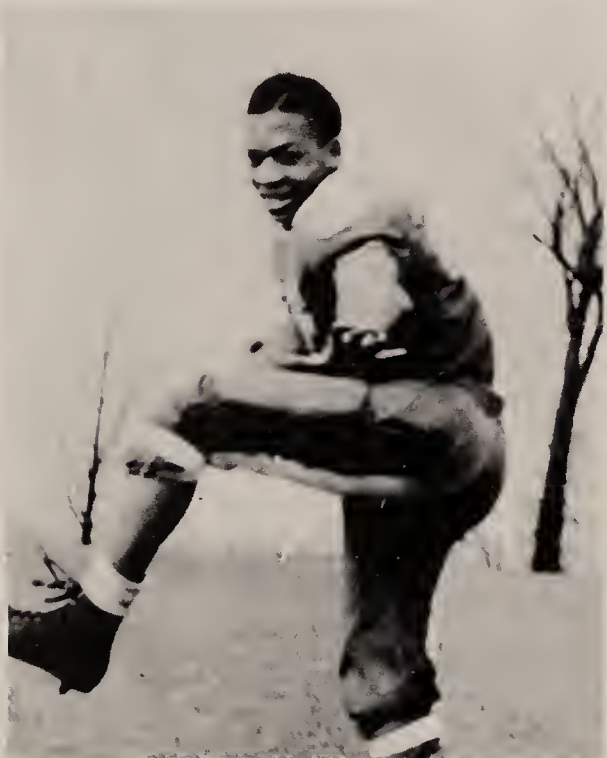

## Lettermen

### **Fairview 26—Medina 0**

Well, Medina didn't win its first game, but they certainly didn't fold. The hard work that Coaches Hollinger and Rudes put the squad through at camp and at the stadium certainly paid dividends in that not a player was taken out because of injury. Although the Bees lost, they gained a lot of experience which aided them very much throughout the season. The backfield and line both did exceptionally well against the big, fast Fairview team.

**DOUG HANSHUE**

**HENRY LEE BUCEY**

### **Coventry 6—Medina 7**

To say that the Bees looked better than the week before is putting it mildly. They blocked and tackled their way to victory, with Veasart scoring Medina's only touchdown, and Spencer kicking the winning point.

**ROBERT SPENCER**

### **Rittman 20—Medina 20**

Even if Medina was the smaller, slower, less-rated team, they still beat the dope to tie and nearly beat Rittman. With the line opening the holes and the backfield taking full advantage of them, Medina's Henschel, Doyle, and Weber went over for touchdowns.

**CLAYTON VEESART**

**HAROLD CASEY**

**MAYNARD BAUER**

## Lettermen

### **Wellington 19—Medina 0**

Although Medina was defeated, they went down fighting. Since it was the Dukes' dedication game, it seems their powerful team fought harder than ever. Almost all the second team got in the last half and still the Dukes didn't run wild.

**CHAD BAXTER**

**ANDY KLIMKO**

### **Copley 32—Medina 7**

Our team lost, but again our boys went down fighting by scoring their only touchdown in the last quarter of the game. Henschel made this touchdown by cutting off his own left guard and running 54 yards for Medina's only score. Doyle tallied for one more point.

**GENE HANSHUE**

### **Brecksville 7—Medina 26**

Medina upset the dope and poured on the power in the second half to win over a highly-favored team. Spencer, Doyle, and Henschel shared the honors for the touchdowns, and Bucey made the two conversions to make the final tally Medina 26 and Brecksville 7.

**JAMES NAVRATIL**

**DEAN KENDALL**

**HAROLD JOHNSON**

## Lettermen

### **New London 26—Medina 7**

The Bees lost another game even though they came back in the second half and outpassed, outran, and outplayed New London. The first-half score was too great. Medina's only touchdown came in the third quarter when Spencer shot a pass to Doyle who went over to score.

### **Amherst 7—Medina 20**

Medina gave her homecoming queen a hearty welcome by beating the Amherst Comets by a 13-point margin. Henschel not only gave the queen flowers but he also gave her three touchdowns and a conversion. Veasart went over for another conversion to complete the victorious night.

### **Wadsworth 7—Medina 12**

It was Dads' Night at the game, and the Dads as well as some 2,300 other fans were on edge as the Bees dug in and played hard, driving football to win from their traditional school rivals. Medina won, but for a while it looked bad for her, as Wadsworth led by 7-0, then 7-6. Then Henschel came through with two touchdowns to win the game.

## Varsity

Although Medina didn't win many games, the boys tried very hard, and lost most of their games by only a few points. The starting lineup was usually Bucey, Henschel, Doyle, Spencer, and Wilson, with Harrington, Veverka, and Hetrick in during the games. All of them had a hand in the scoring.

There were also two other teams, the reserves and the Rinkydinks, who played the same nights as the varsity did. Also at the home games the tumbling and horizontal bar class performed.

## Medina Hi Dance Band

The Stardusters have swung into their second successful year as Medina High's popular swing band. This year they not only played for Wednesday noon dancing and all-high dances at the school, but they have also had many out-of-town engagements. Mr. O'Donnell is their director.

On this page we see the Stardusters as they appeared earlier in the season, and at the bottom of the page we see them at the Clearview Sweetheart dance.

## Homecoming

It was a grand homecoming night for past students of Medina High School and for present students as well, as the Bees defeated the Amherst Comets, 20 to 7.

Before the game the queen and her attendants were driven around the track in a convertible coupe by Allan Reinhardt. The girls were then presented with flowers by Captain Erwin Henschel, and Queen Barbara presented Erwin with the football to begin the game.

The queen's two attendants were Janice Waite and Pat Gibbs.

All the homecoming activities were introduced by a big parade in the afternoon.

# *The Beginning*

“About the year 1865, during the month of August, a swarm of bees passed overhead where we were at work, and my fellow-workman, in answer to some of my inquiries respecting their habits, asked what I would give for them. I, not dreaming he could by any means call them down, offered him a dollar, and he started after them. To my astonishment, he, in a short time, returned with them, hived in a rough box he had hastily picked up, and at that moment I commenced learning my A B C in bee culture.”

A. I. ROOT

Today, the largest bee supply factory in the world stands as a monument to the pioneering of this man. The name ROOT has stood for leadership in bee supplies for over three-quarters of a century.
